Complaint Filed: 2/19/09

[JURY TRIAL DEMANDED]

TO: THE HONORABLE EDWARD J. DAVILA OF THE UNITED STATES DISTRICT COURT,
 NORTHERN DISTRICT OF CALIFORNIA:

The parties hereto, by and through their respective counsel of record, stipulate and agree that the date of the parties' due date for filing of oppositions to motions *in limine*, as well as jury materials (inclusive of jury *voir dire* questions, proposed jury instructions and proposed verdict

forms), all of which are presently due January 31, 2012, shall be due February 2, 2012. The parties request an order from this Court affirming such stipulation in light of the fact that the present due date related to same leave the parties only two business days to research, draft and file oppositions and objections to the other parties' pre-trial filings, which are due on Friday, January 27, 2012. (That would otherwise leave only Monday, January 30 and Tuesday, January 31, 2012, as regular business days to prepare such materials.) If granted, this requested resetting would still allow a full 8 calendar and 6 Court days before the final Pre-Trial Conference, now set for Friday, February 10, 2012.

The stipulated extension as to jury materials is therefore requested as a matter of economy for the parties and the Court.

IT IS SO STIPULATED.
